Campus Health & Wellbeing

Campus Health & Wellbeing cultivates student success through timely holistic care and the promotion of lasting wellness. The goal of Campus Health & Wellbeing is to support holistic wellbeing of all students attending Cal Poly. A variety of services are offered for students including ambulatory health care, laboratory testing, onsite x-rays, prescription medications, individual and group mental health counseling, health education programs, and wellbeing resources (financial, career, social, community, and physical/mental health). Campus Health & Wellbeing assists students by minimizing class time lost due to illness, injury, or personal problems. An After-Hours Nurse Advice Line and a Psychological Crisis Line are available at no cost when the Student Health Center is closed. Students may reach the After-Hours Nurse Advice Line by calling the regular Health Center’s phone number (805.756.1211). The Psychological Crisis Line may be accessed by calling the regular Counseling Services phone number (805.756.2511).
