Developed by the Association of American Colleges & Universities,  
"Making Excellence Inclusive" is a unifying vision designed to help  
institutions fully integrate their diversity, equity, and educational  
quality efforts and embed them into the core of academic mission and  
institutional operations. Cal Poly's adoption of Inclusive Excellence (IE) in  
2009 was supported by resolutions of the Academic Senate and the ASI  
Board. Activities and programs are described on the IE website.
