

ACCREDITATION

The University is fully accredited by the Western Association of Schools and Colleges (WASC), Senior College and University Commission.

WASC is a regional accrediting agency that is recognized by the U.S. Department of Education as certifying institutional eligibility for federal funding in a number of programs, including student access to federal financial aid. WASC may be contacted at:

Western Association of Schools and Colleges
985 Atlantic Avenue, Suite 100
Alameda, California 94501
Phone: 510.748.9001

During the process of reaffirming its accreditation, Cal Poly completes a self-study and then undergoes a review by a WASC team representing institutional peers. After last completing this process in Spring of 2012, Cal Poly received a full ten-year extension of its accreditation, i.e., until spring of 2022. More information about this process may be found at wasc.calpoly.edu.
