Students seeking certification (i.e. as an Associate Wildlife Biologist from the Wildlife Society) should see their faculty advisor for guidance.

Consultation with advisor is recommended prior to selecting approved electives; bear in mind your selections may impact pursuit of post-baccalaureate studies and/or goals.

Courses taken to meet a major or support requirement cannot be double-counted as an elective.

Maximum of 6 units may be applied toward Approved Electives: BIO 300, BIO 400, BIO 450.

If BIO 461 or BIO 462 is used to meet the Senior Project Requirement, it cannot also be counted as an Elective.

Maximum of 2 units may be applied toward Approved Electives from SCM 302/ENGR 322.
