SPANISH CONCENTRATION

Spanish is a language used frequently in elementary classrooms across the state of California and connects students to a greater global community. The Spanish Concentration supports a minor in Latin American Studies. Meet with an advisor if planning to use this concentration for a minor in Latin American Studies. This concentration develops language proficiency, literacy and culture.

Entry into the Spanish Authorization for Bilingual Educators (SABE) program requires proficiency in Spanish. LS students may be interested in adding this authorization to their future credential.
