

MA EDUCATIONAL LEADERSHIP AND ADMINISTRATION

EDUC 590	Research Application in Education	4
Total units		51

NOTE: Applications for admission to the MA Educational Leadership and Administration program are not currently being accepted. Contact the School of Education for information regarding admission to the MS Educational Leadership and Administration, starting in Fall 2023.

Program Learning Objectives

1. Development and Implementation of a Shared Vision: Education leaders facilitate the development and implementation of a shared vision of learning and growth of all students.
2. Instructional Leadership: Education leaders shape a collaborative culture of teaching and learning informed by professional standards and focused on student and professional growth.
3. Management and Learning Environment: Education leaders manage the organization to cultivate a safe and productive learning and working environment.
4. Family and Community Engagement: Education leaders collaborate with families and other stakeholders to address diverse student and community interests and mobilize community resources.
5. Ethics and Integrity: Education leaders make decisions, model, and behave in ways that demonstrate professionalism, ethics, integrity, justice, and equity and hold staff to the same standard.
6. External Context and Policy: Education leaders influence political, social, economic, legal and cultural contexts affecting education to improve education policies and practices.
