## **MS SPECIAL EDUCATION**

## **Program Learning Objectives**

- Apply understandings of Learner Development, Learning Differences, and Knowledge of Students.
- 2. Create and maintain classroom routines and environments that promote learning, inclusivity, respect, and health/safety.
- 3. Demonstrate and apply curricular content knowledge to design and organize effective learning experiences.
- 4. Select and implement scientifically validated instructional approaches to meet individual learning needs.
- Collect and analyze assessment data from multiple measures to make data-based decisions about student learning needs, service eligibility, and instructional modifications.
- 6. Demonstrate professionalism, ethics, legality, collaboration, and continuous growth and reflection.
- 7. Engage in educational research and inquiry to remain informed of best practices, current research, legislation and debate.
