Eligibility for competition in intercollegiate athletics is regulated, in general, by the rules of the National Collegiate Athletic Association (NCAA), as well as the University and applicable conference. The Director of Athletics is responsible for adherence to all eligibility rules. The Faculty Athletic Representative has the responsibility for the interpretation of the NCAA, conference, and university rules for determining student-athlete eligibility to represent the university in intercollegiate athletic events.

All 21 teams compete at the NCAA Division I level.

Cal Poly is committed to providing equal opportunities to men and women students in all campus programs, including intercollegiate athletics.
