Eligibility for competition in intercollegiate athletics is regulated, in
general, by the rules of the National Collegiate Athletic Association
(NCAA), as well as the University and applicable conference. The Director
of Athletics is responsible for adherence to all eligibility rules. The Faculty
Athletic Representative has the responsibility for the interpretation of the
NCAA, conference, and university rules for determining student-athlete
eligibility to represent the university in intercollegiate athletic events.

All 21 teams compete at the NCAA Division I level.

Cal Poly is committed to providing equal opportunities to men and
women students in all campus programs, including intercollegiate
athletics.
