The Cal Poly Scholars Program seeks to support and retain high-achieving, low-income students from California schools by providing financial, academic, and community resources and support. As a university-wide program, the Cal Poly Scholars program brings together a network of services including the Office of Financial Aid & Scholarships, Mustang Success Center, all six academic colleges advising centers, Career Services, University Housing, Student Academic Services, and other campus collaborators. The Scholars are enrolled across all six academic colleges and are actively pursuing degrees from 50+ majors.
