

CONSTRUCTION MANAGEMENT MINOR

Offered at: San Luis Obispo Campus

The Construction Management Minor provides students with an introduction to the body of knowledge expected of persons pursuing careers in the construction industry. This minor focuses on the materials, means and methods which encompass the construction process. The Construction Management Minor will give students a competitive edge when applying for certain jobs in the built environment and is recommended for majors in architecture, architectural engineering, city and regional planning, business, civil engineering, electrical engineering, landscape architecture, and mechanical engineering, and electrical engineering. Contact the department for more information.

Minor Requirements and Curriculum

The minor must be completed prior to, or at the same time as, the requirements for the bachelor's degree. A major and a minor may not be taken in the same degree program, and a minor is not required for a degree. Requirements for the minor include:

- At least half of the units must be from upper-division courses (3000-4000 level).
- At least half of the units must be taken at Cal Poly (in residence).
- No more than one-third of the units will be taken with credit-no credit grading (CR/NC), not counting courses with mandatory CR/NC. Departments may further limit CR/NC grading if desired.
- A minimum 2.0 GPA is required in all units counted for completion of the minor.

Code	Title	Units
REQUIRED COURSES		
CM 1113	Construction Materials and Assemblies	2
CM 1114	Mechanical, Electrical, and Plumbing Construction Materials and Assemblies	2
CM 3310	Construction Means and Methods	3
Approved Electives		
Select from the following:		3-4
CM 1115	Fundamentals of Construction Management	
CM 1280	Fundamentals of Virtual Design and Construction Management	
CM 1413	Jobsite Construction Management	
Select from the following:		5-6
