GENERAL EDUCATION (GE)

(See GE program requirements below.) 68

FREE ELECTIVES

Free Electives ⁶ 40

8 units of free electives may need to be at the 300-400 level to ensure completion of the required minimum of 60 units of upper-division courses.

Total units 180

- ¹ Required in Major or Support; also satisfies General Education (GE) requirement.
- ² Any GE Upper-Division STAT course may be substituted to fulfill this Major requirement. Non-GE courses teaching statistical or quantitative analysis methods may be substituted to satisfy this requirement but only with the consent of the ISLA Department Chair. A major support substitution should be initiated with the ISLA Department Chair for any upper-division STAT course. In those cases, students will then have to take an additional course to satisfy the GE requirement.
- ³ If course is taken to meet the Communication Course or Upper-Division Electives requirement, it cannot be double-counted in the Concentration. Please consult with academic advisor.
- ⁴ Topics courses may be used to satisfy a Major requirement and are repeatable in the Concentrations with a different topic. Total credit limited to 8 units.
- ⁵ ISLA 440 total credit limited to 8 units.
- ⁶ If a General Education (GE) course is used to satisfy a Major or Support requirement, additional units of Free Electives may be needed to complete the total units required for the degree.
