

BS JOURNALISM

Program Learning Objectives

Graduates with a BS in Journalism will:

1. Apply the principles and laws of freedom of speech and press, in a global context, and for the United States.
2. Demonstrate an understanding of the multicultural history and role of professionals and institutions in shaping communications.
3. Demonstrate communication that empowers those traditionally disenfranchised in society, especially as grounded in race, ethnicity, gender, sexual orientation, ability and socioeconomic status, domestically and globally, across communication and media contexts.
4. Present images and information effectively and creatively, using appropriate tools and technologies.
5. Write correctly and clearly in forms and styles appropriate for the communications professions, audiences and purposes they serve.
6. Demonstrate an understanding of professional ethical principles and work ethically in pursuit of truth, accuracy, fairness and equity.
7. Apply critical thinking skills in conducting research and evaluating information by methods appropriate to the communications professions in which they work.
8. Effectively and correctly apply basic numerical and statistical concepts.
9. Critically evaluate their own work and that of others for accuracy and fairness, clarity, appropriate style, grammatical correctness and equity-minded reporting.
10. Apply tools and technologies appropriate for the communications professions in which they work.
