

THEATRE MINOR

Offered at: San Luis Obispo Campus

The Theatre Minor (21 units) is designed to provide a foundation of 9 required units in three major aspects of theatre: introduction/appreciation, design/production, and diversity. On top of that, the inclusion of 12 (3 lower division / 9 upper division) additional elective units allows for a degree of specialization in an area of the student's choice. Students should discuss their interests with department faculty. Admission to the minor is contingent upon a departmental interview and review. Students must have more than a 2.0 GPA.

Minor Requirements and Curriculum

The minor must be completed prior to, or at the same time as, the requirements for the bachelor's degree. A major and a minor may not be taken in the same degree program, and a minor is not required for a degree. Requirements for the minor include:

- At least half of the units must be from upper-division courses (3000-4000 level).
- At least half of the units must be taken at Cal Poly (in residence).
- No more than one-third of the units will be taken with credit-no credit grading (CR/NC), not counting courses with mandatory CR/NC. Departments may further limit CR/NC grading if desired.
- A minimum 2.0 GPA is required in all units counted for completion of the minor.
