

CHINESE MINOR

Offered at: San Luis Obispo Campus

The Chinese minor incorporates aspects of Chinese language, combined with elective coursework in business, contemporary politics, history, philosophy, natural resources, agribusiness, or languages and cultures. Chinese language and culture are powerful tools for students from all fields of study. The Chinese minor offers opportunities for real world "Learn By Doing" experiences, via study abroad in Taiwan and China. The Chinese minor provides a solid foundation in Chinese language and culture, while at the same time enabling students from all fields of study to become more competitive in the contemporary job market.

Minor Requirements and Curriculum

The minor must be completed prior to, or at the same time as, the requirements for the bachelor's degree. A major and a minor may not be taken in the same degree program, and a minor is not required for a degree. Requirements for the minor include:

- At least half of the units must be from upper-division courses (3000-4000 level).
- At least half of the units must be taken at Cal Poly (in residence). For the Chinese, French, German, Italian Studies, Japanese, and Spanish minors, the requirement for students studying abroad is that at least one-third of the units must be taken at Cal Poly.
- No more than one-third of the units will be taken with credit-no credit grading (CR/NC), not counting courses with mandatory CR/NC. Departments may further limit CR/NC grading if desired.
- A minimum 2.0 GPA is required in all units counted for completion of the minor.
