BS JOURNALISM

Program Learning Objectives

Graduates with a BS in Journalism will:

- 1. Apply the principles and laws of freedom of speech and press, in a global context, and for the United States.
- 2. Demonstrate an understanding of the multicultural history and role of professionals and institutions in shaping communications.
- Demonstrate communication that empowers those traditionally disenfranchised in society, especially as grounded in race, ethnicity, gender, sexual orientation, ability and socioeconomic status, domestically and globally, across communication and media contexts.
- 4. Present images and information effectively and creatively, using appropriate tools and technologies.
- 5. Write correctly and clearly in forms and styles appropriate for the communications professions, audiences and purposes they serve.
- 6. Demonstrate an understanding of professional ethical principles and work ethically in pursuit of truth, accuracy, fairness and equity.
- 7. Apply critical thinking skills in conducting research and evaluating information by methods appropriate to the communications professions in which they work.
- 8. Effectively and correctly apply basic numerical and statistical concepts.
- 9. Critically evaluate their own work and that of others for accuracy and fairness, clarity, appropriate style, grammatical correctness and equity-minded reporting.
- 10. Apply tools and technologies appropriate for the communications professions in which they work.
